THE CASE OF THE JAPANESE SEAMEN .-- Last Mo

day a decision in admiralty was given by Mr Justice Harris, in which the libellants, 10 Japanese, who shipped at Nagasaki on board the bark Sea Breeze, to be discharged at the end of the season at San Francisco, prayed the Court "that the bark Sea Breeze and Wicks, the Master of the said bark, be decreed to pay to the libellants, sufficient money for them to purchase passages to San Francisco. and their support meanwhile, with the costs of this libel, and for such further relief as justice and law may require." It appeared at the hearing that "it is more than likely (in the words of the Master) that the vessel will go to New Bedford." The United States law requires that where a seaman is discharged from a whaleship in a foreign port, the ship must pay into the Consulate sixty dollars for | in 1876. land would hereafter be dispatched by the Suez route | each seaman. The Court in declining to interfere. Subsequently this is contradicted by the following said: "If the ship was about to proceed to New Bedford and take these men with her, their contract to the contrary notwithstanding, and the United States Consul would not interfere to discharge the men, and thereby prevent so great a

whaling bark James Allen of New Bedford, while in pursuit of whales, was capsized in a snow-squall, and But it is certain that it is no part of the duty of all on board perished. Their names were-John Northis Court to interfere to prevent the Consul from ton, first officer of the bark; Alexander Collins, boatdoing his duty, or to assist the United States citisteerer; and Thomas Barker, John Seypan, Charles zens to evade the force of the laws of their own Ambler, and Charles Beyer, seamen. The intense cold prevailing at the time, prevented the men from

mission and that he will soon be here, en route for

pipes, (which will be done as soon as the necessary MR. EDITOR :-- With your permission, I will lay gates are made at the Foundry) together with the hefore your readers a few thoughts on the present placing of three additional hydrants, will add Inancial necessities of the country, and a suggesgreatly to the security of property in that part of tion of how to supply them. There are a great many things that we see might be done, if we had the means at command of government, but which OURSELVES .- In to-day's issue of the COMMERCIAL ADVERTISER, including a two-page Supplement, we it is hopeless to expect will ever be accomplished present our readers with some twenty-six columns of as things go now. I refer to such needed public reading matter! Though not an "illustrated paper," works for the development of these naturally we venture to suggest that it will be found in every favored isles, as the making of good roads and bridges, deepening and constructing harbors for respect as desirable a sheet for the purpose of sending to friends abroad as that which was issued with | shipping, and works of irrigation. Could we be such a flourish of trumpets during the week. When- lenabled to go extensively into this sort of public ever we shall illustrate the ADVERTISER with portraits improvements, the islands would at once take an of Royal personages-for which we are making the Limmense stride forward in material prosperity, and necessary arrangements-the extra attraction of the population would be attracted bither. Without paper will not be an additional cost to our patrons. them, our progress must be at a snail's pace, and from the present outlook, in a retrograde direction

TRANSIT OF VENUS .-- In the extended reviews which we have seen in print from time to time In listening to the general talk about the pro during the past few months, of the preparations posed national loan of a million of dollars, I find that opinions vary as to the probability of its acit was stated that it would be officially studied complishment. Many laugh contemptuously at the idea, and but few seem sanguine of its success, But, let me ask, why not try a NATIONAL LOTTERY be increased to seventy-six, Mexico having decided whereby to raise funds for national improvements to send out an expedition to take a part in the observation. A commission from the city of Mexico. I imagine I hear, on the mere mention of the word or filth, found in a state prejudicial to the public numbering six persons, well qualified by general a chorus of cries of holy horror at the suggestion health, will be cleansed by the Board, or its Agents, and special scholarship for the work, recently of what will be characterized as highly immoralat the expense of the person or persons owning them- sailed from San Francisco for Japan, expecting to as nothing more nor less than gambling.

Looking at the subject calmly, we may judge of

the proposition more fairly, and find that our preiudices have most to do with our opposition to the on Thursday night last by the report that the lottery system. The principle of a lottery is coeval with human society, and has the sanction of Holy Scripture, in numberless instances. According to Webster, a lot (from which comes lottery) is that which, in human speech is called chance, hazard fortune, but, in strictness of language, is the determination of Providence. Lotteries, in their highest application, are institu tions for raising the revenue of a country by grantand preparations were made to bring her into port, | ing to those who voluntarily contribute the chance by placing guide lights on the buoys at the of obtaining a reversion of part of the money col-

entrance, and the pilot went off--only to find that lected. The practice may be traced back to a it was only a coaster. It may not be remembered, | very ancient period. In 1530, the "Lotto" of Florence was established for the necessities of the nor generally known, that by a statute law of the kingdom, sailing vessels under way, are required | state, and the example was quickly followed dangers which menaced France. to carry the same lights as steamships under way, | throughout Europe. The Insurgent leaders, Rivas, Borges, and Arredordo, had joined General Mitre Several vessels of the navy have gone over to the Insurgents. Sarmiento has taken command of the troops to defend Buenos Ayres. The Argentine Government has requested the authorities at Montevideo to prohibit enlistments and export arms for the rebel forces.

PHILADELPHIA, Oct. 22.-Letters have been reeived at the Centennial Rooms from Brazil, which indicate that the Emperor will be the Nation's guest

BERLIN, Oct. 22 - Prince Bismarck will remain here during the trial of Kullman, his would-be assassin. Should the testimony of the Chancellor be required, he will be examined here. KINGSTON (Ont.) Oct. 22 .- The Board of Trade

to-day condemned the proposed reciprocity treaty,

wrong—a thing which is in itself insupposable and which certainly is not presented in this case,—then the Court would interfere in favor of the subjects of a friendly power.

London, Oct. 21st.—It is now positively known that the rumors recently telegraphed from Madrid that Don Carlos had been killed originated on the Madrid Bourse, where they sent up the Spanish funds. At the same time there is abundant evidence that mutiny is on the increase in the Carlist ranks. CALCUTTA, Oct. 21st. - Nens Sahib, the notorious native Prince, who has been hiding for years past for his crimes committed at the time of the Indian

mutiny, has been captured. He has been identified

by the Maharia Yah of Scionda, and has confessed Samoa .- In regard to the rumors that Germany | the horrible atrocities of which he was accused. The news caused intense excitement. VIENNA, Oct. 19th .- The Presse says Germany has given friendly and satisfactory assurances to Denmark in regard to the expulsion of Danes from Schleswig. She has admitted the possibility of mistakes through the excessive seal of the local authorities, and intimated her readiness to examine each case and give full satisfaction where wrong has been done. A fervent desire is expressed for the main

> tenance of good relations with Denmark. FLORENCE, Oct 22 .- Garibaldi has accepted the omination as candidate for Parliament for Rome, stipulating to attend the Chamber only when he thinks his presence necessary.

New York, Oct 19th .- The Herald's London dis patch states that Stanley has arrived at Zauxibar. The Sultan has accorded a reception to the American Despatches affirm that President Grant had become weary of third term talk, and that he will take an early occasion to declare that he will not accept a third nomination. The same dispatch brings Washburne into the foreground as a candidate. All this tallies with an under-current of rumor which has been known for some time. If Grant is not a candidate he will have something to say about the nomination of his successor. Washburne brought out Grant, That is, he gave him a military start when the latter was very much down at the heel and needed friends. Washburne also put Grant in training for the Pres-

idency. When he was elected the former had his choice of offices-first in the cabinet, and then ambassador to France, where he has been out of the way of all vexatious political complications. There has also been a hum of preparation on the part of Washburne's friends for some time on this side of the country. They have been quietly putting matters in train for coming events. Now, as Washburne gave Grant a vigorous boost just at the right time, shoving him clear over into the Presidency, we shall soon see what kind of a boost Grant can

give Washburne. SPRINGFIELD, Ill., Oct. 15th .- An immense growd of strangers are in the city to-day to witness the ceremonies attendant upon the unveiling of the statue of Lincoln on his monument at Oak Ridge Cemetery. The members of the society of the Army of Tennessee, which held their annual reunion here yesterday and last night, participate in the ceremonies, and among the distinguished persons present are President Grant, Vice-president Wilson, General Sherman, Senators Logan and Oglesby, General Custer, Giles A. Smith, McClernand, and others.

LONDON, Oct. 15th .- The Duchess of Edinburgh

has had a son born to her. NEW YORK, Oct. 15th .- A San Francisco dispatch, published only in the Tribune, announces that arrangements have been completed for a new line of steamers between San Francisco via Japan and China, to make close semi-monthly connections with the overland railroad; that the line consists of seven first-class screw ships, built at Glasgow. Also, a monthly line southward to connect with the Pacific Steam Navigation Company's South American line. The China line is to begin operations the first of December. The story is believed here to be an attempt to bully the Pacific Mail Company into renewing the

combination with the railroad monopoly.

ment until all claims were admitted.

founded on truthful information obtained from a Spanish official, and it questions the validity of the alleged letter by Admiral Polo denying the first New York, Oct. 16th -A London dispatch says the compensation toward England by the Madrid Government amounts to \$75,000; \$49,000 of which is paid on account of the Virginius butchery, and the remainder to owners of outstanding claims.
